

# "Together We Serve as the CCS Family"

Community Christian School depends on volunteer help to provide many of the extra services that make the school a better place. Lack of these volunteer services would also increase tuition costs, as someone would need to be hired to do the extra work. We understand how busy families are today, but we ask you to prayerfully consider how you can be involved here at CCS.

NAME: \_\_\_\_\_

Based on my personal/career strength areas, I can help CCS by :  
\_\_\_\_\_
